The Pantheon Saloon is the depot for the celebrated Enterprise Beer, where it can always be found cool and fresh on tap. We do not deal in "Fredericksburg Beer" as the morning Paper—through some mistake has advertised. Call at the Pantheon for re-freshing drink.

JIM DODD, Proprietor.

Talk about braying asses. The town is full of them. McBrayer's whiskey is only to be found at the Empire Saloon. And when it's found it stays.

En. Regna of the Empire Saloon has made a new deal which will touch the hearts, or at least the palates of many a thirsty wanderer. He keeps "half-and-half" on draught and serves a most delicious and cool beverage, far superior to "plain" beer.

## LOCAL NOTES.

A wedding tomorrow.

Note for H. Klemme.

Lady of Lyons tonight.

E. Biven left in the W. G. Hall this morning.

The Kinau will arrive tomorrow morning.

The Malolani left this morning for Hawaii.

Wm. Goodness will be elected Senator for Mani.

A. will be at the usual place tonight and expects F.

Next Monday the first republican election will take place.

Special family matinee tomorrow at 3 p.m. of "Charley's Aunt."

Godfrey's "directory" will be out tomorrow. Secure a copy in advance.

There was a large crowd at Emma Square last night listening to the band.

A number of Mautes will leave for the revolutionary island, this afternoon.

Votes cast for H. Klemme will help to break the missionaries machine.

Don't forget Girdler's auction tomorrow. A great chance is offered to the ladies.

The Schentzen club will meet tonight and arrange for the Klemme campaign.

A crowded house will greet Charley's Aunt at the matinee tomorrow afternoon.

The funeral of Dr. H. G. McGrew took place this afternoon and was largely attended.

Editor Hoogs of the *Paradise of the Pacific* has gone to Kauai in search of rest and health.

The Hallowe'en dance to be given by the Thistle Club next Friday will be a great success.

All former patrons of Sans Souci are heartily welcome to visit the idyllic bathing resort.

A horse ran away last night, starting from the Palace and finishing at Palama. No damage was done.

We confidentially look forward to a religious stage controversy next week. Wit and Wisdom at swords points.

George Markham has resigned the presidency of the Hawaiian Republican Club and a new head will be elected at the meeting tonight.

Somebody have indulged in the childish amusement of tearing down election posters in the fifth district. The mischievous fellows will catch it when caught.

The praying of the Kawaihau congregation under a shed has nearly the same effect as the praying formerly done in the church. They all look virtuous and dignified. The church is rotten.

The Star's Kauai correspondent who signs himself "Zig" in mentioning the engagement of Mr. King of Kealia to Miss Maria Cummins calls the latter a "niece of Queen Liliuokalani." The "Austinable" mistake was not caused by the young lady.

Agent Green of the Humane Society is actively at work and old horses find their graves in obedience to his stern dictum. By the way, why does he not stop the Chinese here from compressing the feet of their children into an unsightly mass, causing great pain and inconvenience to the infants? Or do Chinese not come within the authority of the Humane Society?

## To-night's Performance.

Miss Dalglish and Mortimer Snow supported by the balance of the Dailey's Company will tonight present Bulwer's famous blank verse play in 5 acts entitled "Lady of Lyons," with the first named as Pauline and Claude Melnotte. The dialogue is from one of the masters of English literature, who translated it from the Italian and the action is exceedingly interesting. Judging by the sale, our best theatre goers are to turn out in goodly numbers both tonight and Thursday to witness Belasco's famous "Hazel Kirke."

## CRAWLING OUT.

At last the *Advertiser* comes out openly and sympathizes with the men who do not want annexation but who do believe in the present oligarchy.

Mr. Magoon has been the only prominent supporter of the government who has openly stated that he cannot support the annexation scheme while he at the same time mustered as an active supporter of the Republic.

And he was the only one! It was well known to us and to the community at large that the capitalists of this country fully approved of Mr. Magoon's anti-annexation views, but not one of them dared to come to the front and express their honest opinion.

The annexation scheme has simply been used as a political propeller. The masses may honestly and earnestly desire to be accepted into the American Union. The rulers never wanted it.

Put as many planks in your platforms as you desire gentlemen! The "planks" do no harm and the principles underlying them will never materialize. The present government wants to be a "government" and as long as they are there their object is attained.

The *Star* undoubtedly represents the true annexationists—and there are a few—and it is now the object of the lecturing and scolding of the official organ. If the Hawaiians can see no other way to get popular government, they may yet some day step forward and ask for annexation. Then it will be granted and then the present oligarchy and Mr. Armstrong will feel—sick.

## LADIES' COLUMN.

That there is considerable interest being taken in our proposed Volcano trip is quite evident from the various questions asked us. As we have said before we would like to send you all at our expense, but our Quick Sales and Small Profit system of doing business does not leave us margin enough for that, so we have been to see Mr. Chase, the General Passenger Agent at his office, Williams Art Rooms, and made this arrangement with him, viz: That any person forming Clubs of not less than ten people, [holding one or more of our Sales Tickets] he will issue a round trip ticket to the Volcano at a Reduced Rate. You can go whenever you please, but must all go together. He further says that anyone wishing to join the party can do so independently of the Club if they have one of our checks. To those who wish to make the Volcano trip, now is the time to take advantage of the reduced rate.

We have so many new things to talk about this week, it's hard to know where to begin. but we must call our attention to the fine line of Ladies' Underwear just received.

CHEMISES, DRAWERS, and NIGHT GOWNS of latest patterns in all grades. We also call especial attention to some new designs of Ladies' Shirt Waists just received. New goods are being opened daily. Do you want to go to the Volcano? If so save your Quick Sales and Small Profit tickets.

Save all your Sale Checks. You may be the lucky one.
